Opening// Honor's Convocations

Governor
and Mrs. Patton eagerly
shook the hands of two
exiting Pikeville College
students after Opening
Convocation.

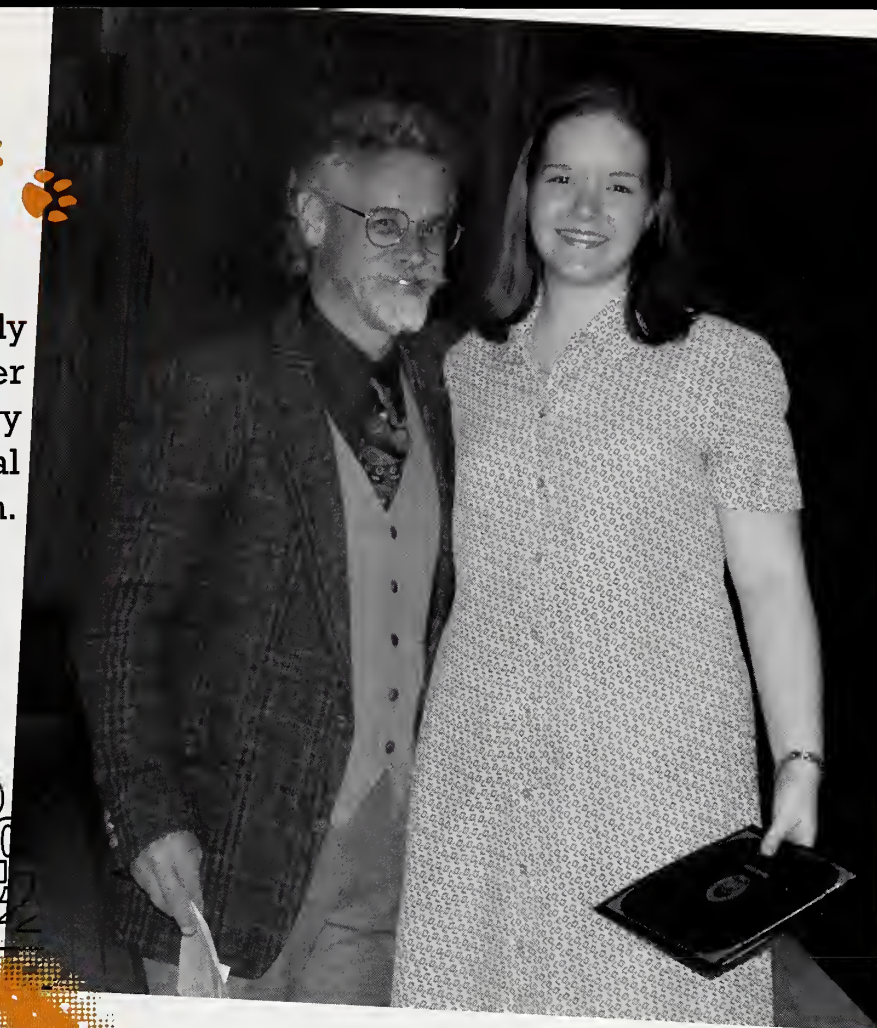

Peggy Davis places a sa-
fari hat on Tara McKenzie
to help prepare her for her
upcoming Archaeological
dig in South Africa.

John Howie proudly
presents Edna Slater
with the Psychology
Award at the annual
Honors Convocation.

Opening Convocation
is the first convocation of the Fall semester,
starting off each school year.

Honors Convocation is
held at the end of each
Spring semester, as it
finishes up the school year.
Honors Convocation
allows professors to
recognize one outstanding
graduating senior from each
major. All members of the
Dean's List, National Honor's
Society, and academic
organizations are also
recognized.

Founder's Day 2001

Founders' Day was celebrated on October 18, 2001 with a picnic and several exciting games. Students participated in pie throwing events, a game of tug-of-war, and a race to the top of the 99 steps. Topping off the night was a talent show in Booth Auditorium, giving students the chance to show off their abilities. Following the talent show was the traditional Founders' Day lighting of the campus.

2001

Homecoming 2001

Friday, October 18th, kicked off Homecoming weekend at Pikeville College with a parade through downtown Pikeville. Continuing the Pikeville College spirit, Bears' football took on Lambuth. Finishing the Homecoming weekend, students danced the night away at the annual Homecoming Dance.

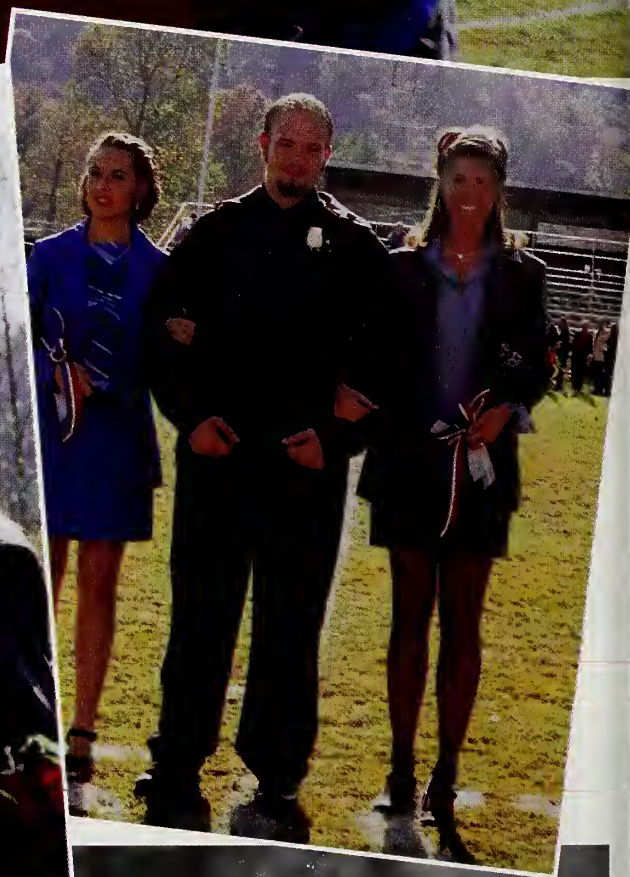

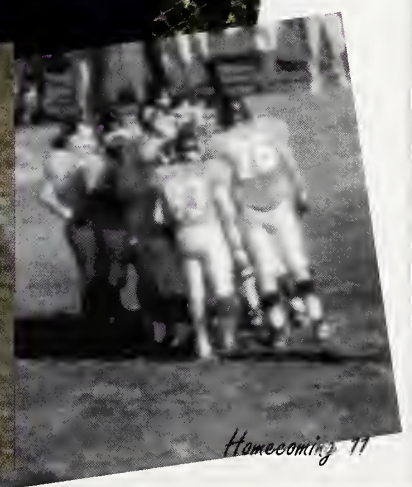

Jody Damron and Tabitha Yates were crowned King and Queen during Pikeville College's first football Homecoming.

The Bears pulled out a win over Lambuth, 49-46, and made this first football Homecoming a memorable experience for Pikeville College students.

2001 was the first year that Pikeville College took the football field as a varsity team.

The Bears' football tradition started in 2000 as a junior varsity team and proudly showcased an almost perfect winning record. Beating teams such as the Kentucky Wildcats, they only lost one of their eight games, by a single touchdown, to the Georgetown Tigers.

The Bears finished this 2001 season with a record of 3 wins and 7 losses. They almost pulled out two wins rather than losses as they went into overtime against Stillman College, and double-overtime against Union College.

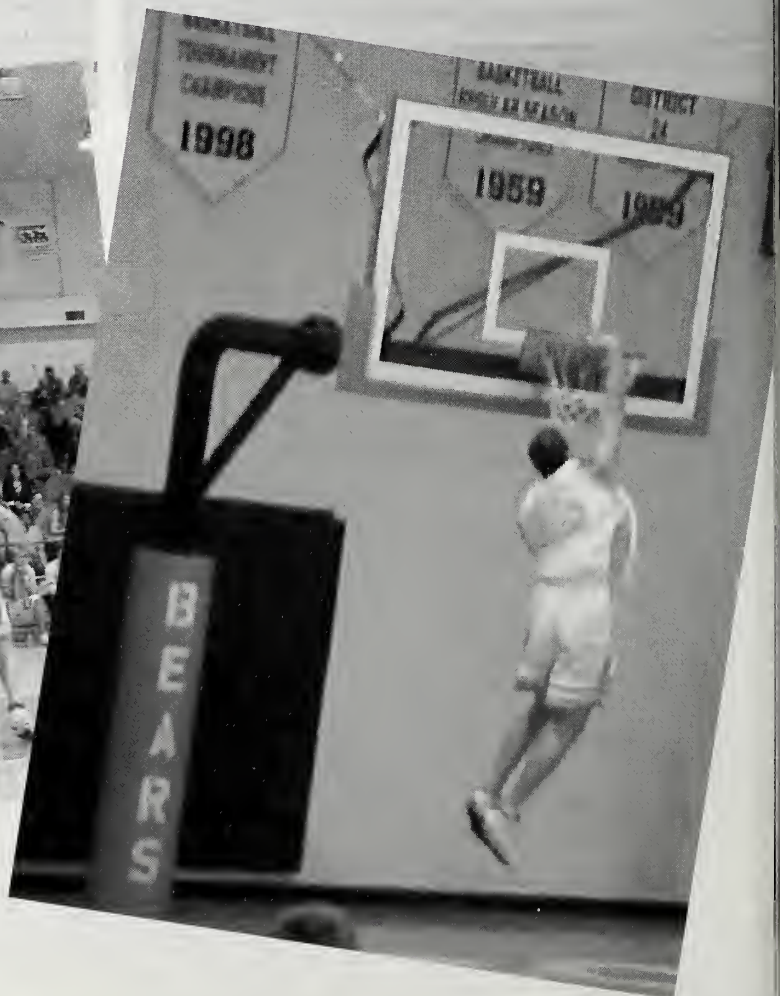

During their first year as a varsity team, the Bears' determination and devotion made Pikeville College and its students proud.

In 2001-2002, the Pikeville College Bears finished the season with a record of 16 wins, and 16 losses.

One game went into triple overtime and both teams exceeded 100 points. Several games were won and lost at the grace of just a few points.

During the season, the Bears won the Pikeville College Thanksgiving Classic, and pulled out wins over several, long time rivals.

Looking forward to next season, the Bears are gearing up, as all players are returning with the exception of only three seniors.

The baseball Bears opened the 2002 season with a shutout of 16-3 against Virginia-Intermont College.

The Bears lost only three seniors, leaving them with an eager team of Pikeville College rookies to start a new and exciting season.

The volleyball Bears spiked the competition this season and only suffered two losses against Georgetown College and Lindsey Wilson College. The Bears opened the season with a nine game winning streak and closed out the season with an eight game winning streak and finished by placing second in the Mid-South Conference tournament.

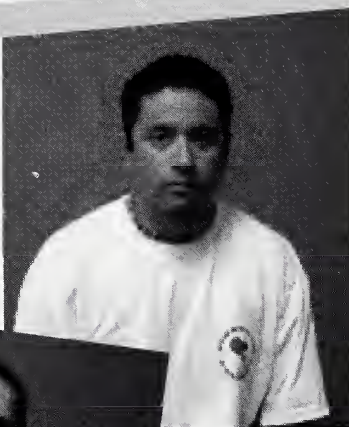

The men's tennis team had an exciting season with a 19 match winning streak only losing once to Auburn-Montgomery. The streak was broken in the national semi-finals for the NAIA Men's Tennis National Championship Tournament when they played Embry-Riddle (Fla.) Aeronautical University.

The women's tennis team made history this season when they won their first Mid-South Conference tournament. The win improved their record to 14-4. They advanced to the NAIA Region XI tournament in Rome, GA. There they were ranked ninth nationally. At the tournament, Suheil Lizana was named Mid-South Conference Player of the Year.

Women's Bowling

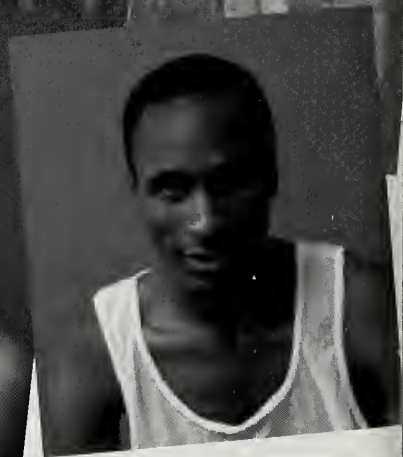

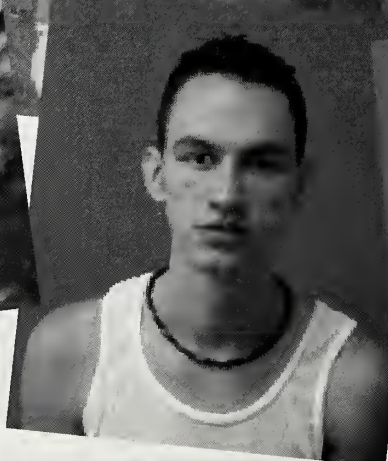

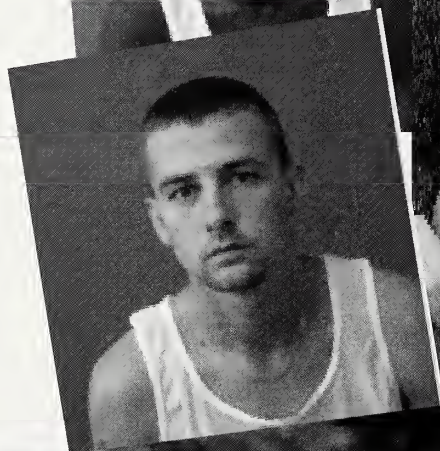

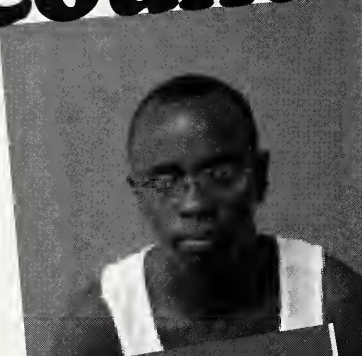

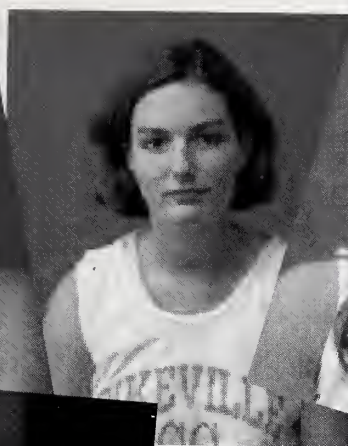

The women's bowling team proved to everyone that being rookies is not a bad thing. In their first year, they represented C in Philadelphia at the College Bowling SA national tournament after winning the East Sectional tournament. They went on to play in Buffalo in the national championship and ranked fifth in the nation.

PCSOM Organizations represent Pikeville College locally and nationally. They attend various national conventions such as the American Osteopathic Association's national convention held this year in San Diego, CA and the American College of Osteopathic Family Physicians' national convention held this year in Orlando, FL. Locally, S.G.A. organizes the annual 5K Medicine Run to benefit Safe Place, the American Medical Women's Association volunteers at Safe Place, and the Christian Medical Association goes on medical mission trips every summer.

BOOTH AUDITORIUM

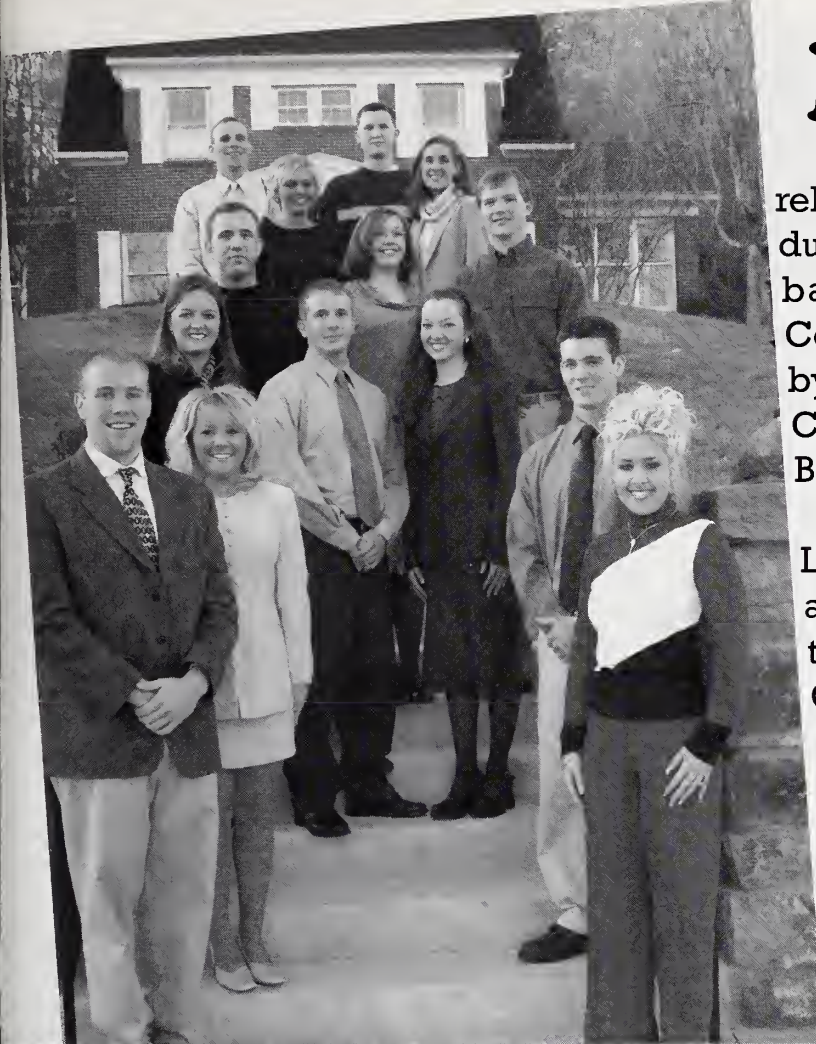

Mt. Laurel

Pikeville College's Mountain Laurel queen candidates were introduced during halftime of the Bears' basketball game, January 26, 2002, as Courtney Mercer was crowned queen by President Smith and 2001 Pikeville College Mountain Laurel Queen, Brooke Campbell.

This was the first year Mountain Laurel took part in the 'Winterfest' activities in January, 2002, rather than the Founders' Week activities in October 2001.

In 2002, Pikeville College combined Mountain Laurel Festivities with the annual Hall of Fame induction, and topped off the 'Winterfest' celebration with a dance for the students held in the gym.

Last year's queen joins this year's candidates.

The Annual White Coat Ceremony introduced first-year medical students to Pikeville College. They were cloaked with their first white coat, they recited the Hippocratic Oath and listened to keynote speaker Dr. James Zini, current president of the American Osteopathic Association. This year 64 students were accepted into the Pikeville College School of Osteopathic Medicine.

Reptile Show

The S.G.A. Herp's Alive Reptile Show was a first in history and turned out a big crowd. Students, faculty and staff were able to hold snakes, turtles and crocodiles. A show was held in Booth Auditorium to tell the students about the reptiles. A hands-on showcase in the lobby of the Armington building grabbed everyone's attention.

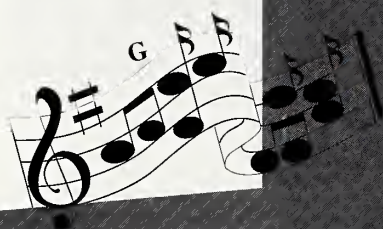

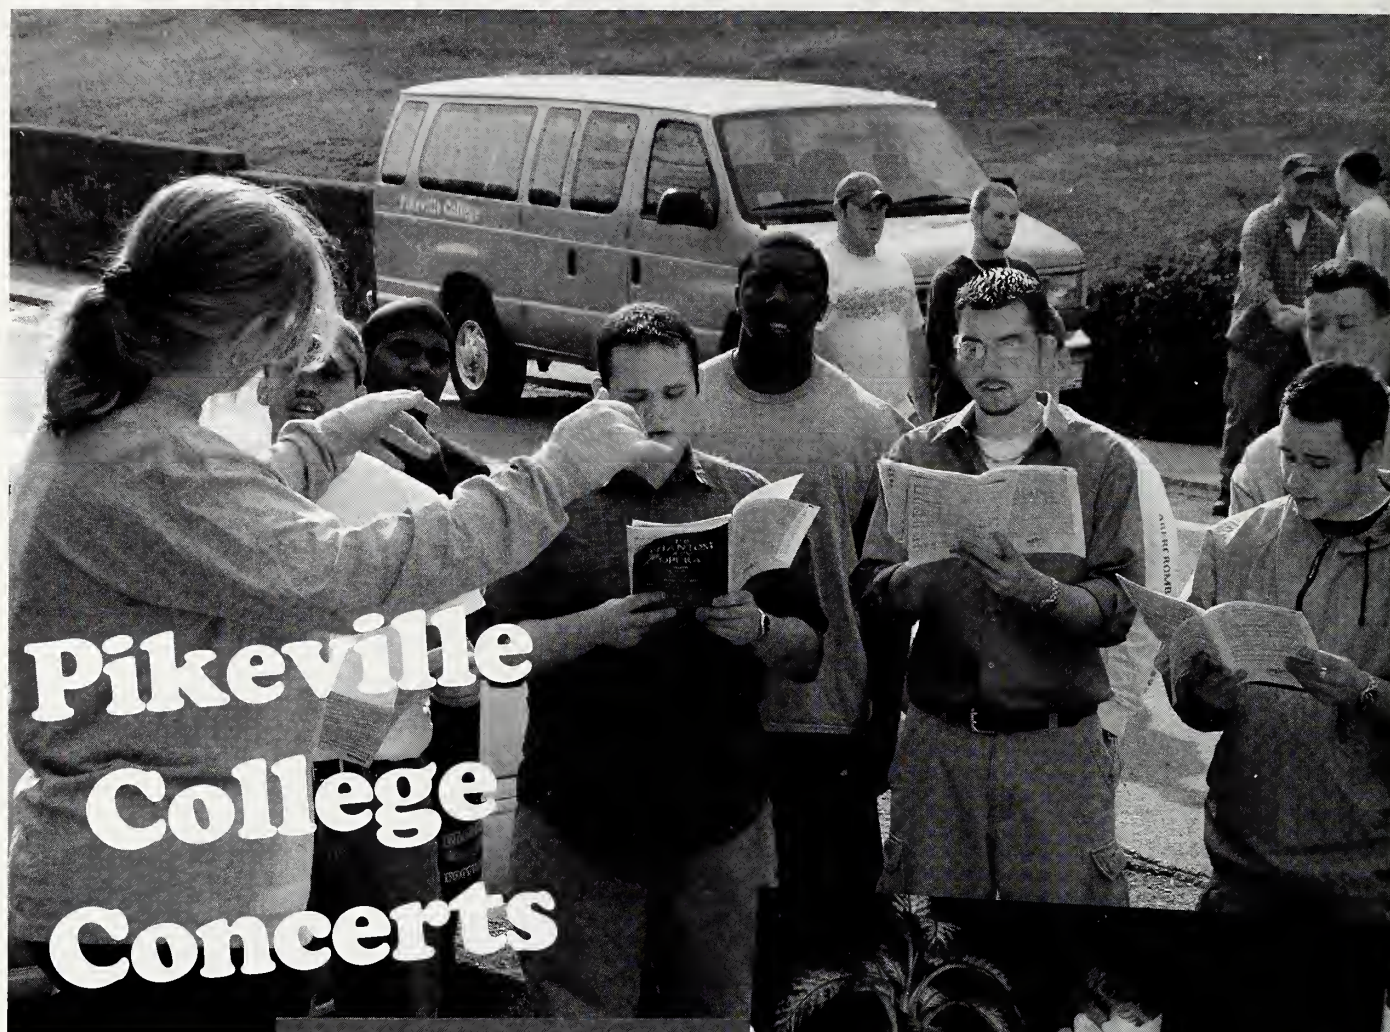

Writer-in-Residence Linda Scott DeRosier

During the Spring semester, Paintsville native and Pikeville College alumni, Linda Scott DeRosier, lived on campus as she wrote her second book. DeRosier's first book *Creeker* told the story of her family and life. While on campus, DeRosier assisted with the Creative Writing class, attended meetings, and read selections from her previous book and her current work.

Pikeville College students filled the hills with the sounds of music throughout the school year as they presented numerous concerts to their fellow students and instructors.

Beginning the musical school year was a Talent Show during the Founders' Day events, and also a Divas concert, featuring several female vocalists on campus.

Pikeville College welcomed Christmas with an energetic Christmas Ensemble, and near the end of the 2001-2002 school year, the Pikeville College chorus and bands were in full swing, presenting a Spring Concert Series.

Booth Auditorium echoed with the sounds of a Jazz Ensemble, a Symphonic Band Concert, and a Choral Concert accompanied by a four part Female Ensemble.

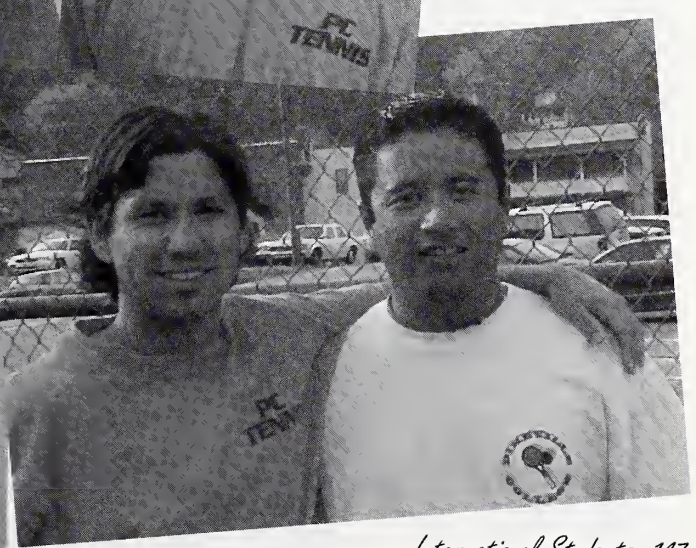

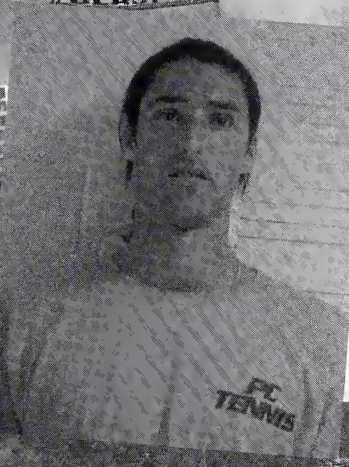

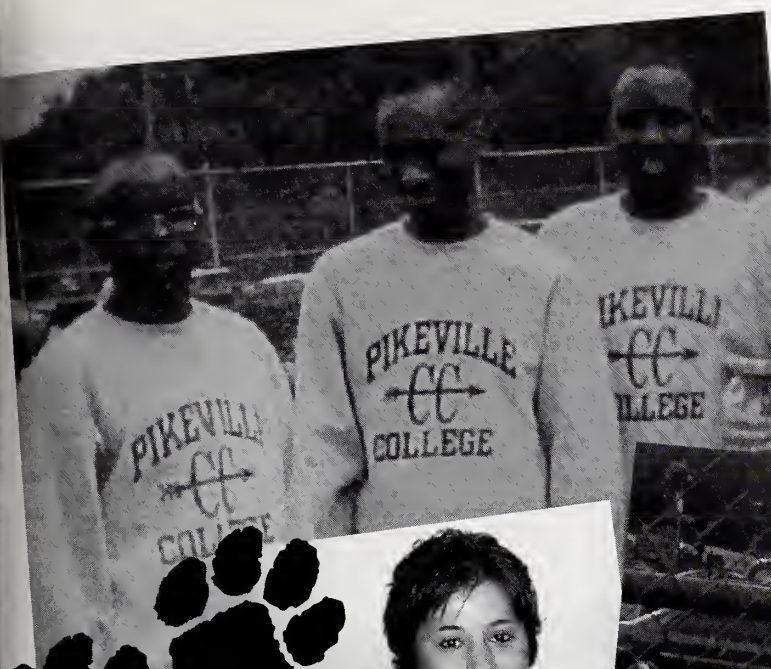

International Students

Pikeville College is rapidly expanding as more and more students from around the globe attend the school each year.

Students travel from around the world including Columbia, Macedonia, Puerto Rico, Kenya, Brazil, Chile, & Australia. Many of these students participate in Pikeville College's rapidly growing sports division.

YEAR

ELIZABETH AKERS ELLIOTT

NURSING PROGRAM

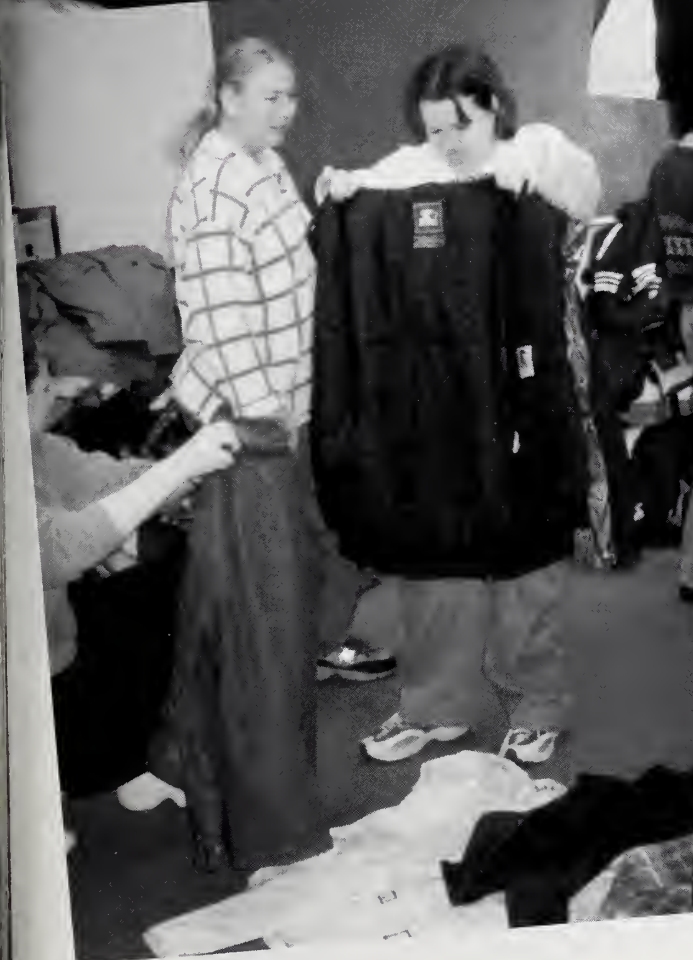

Nursing

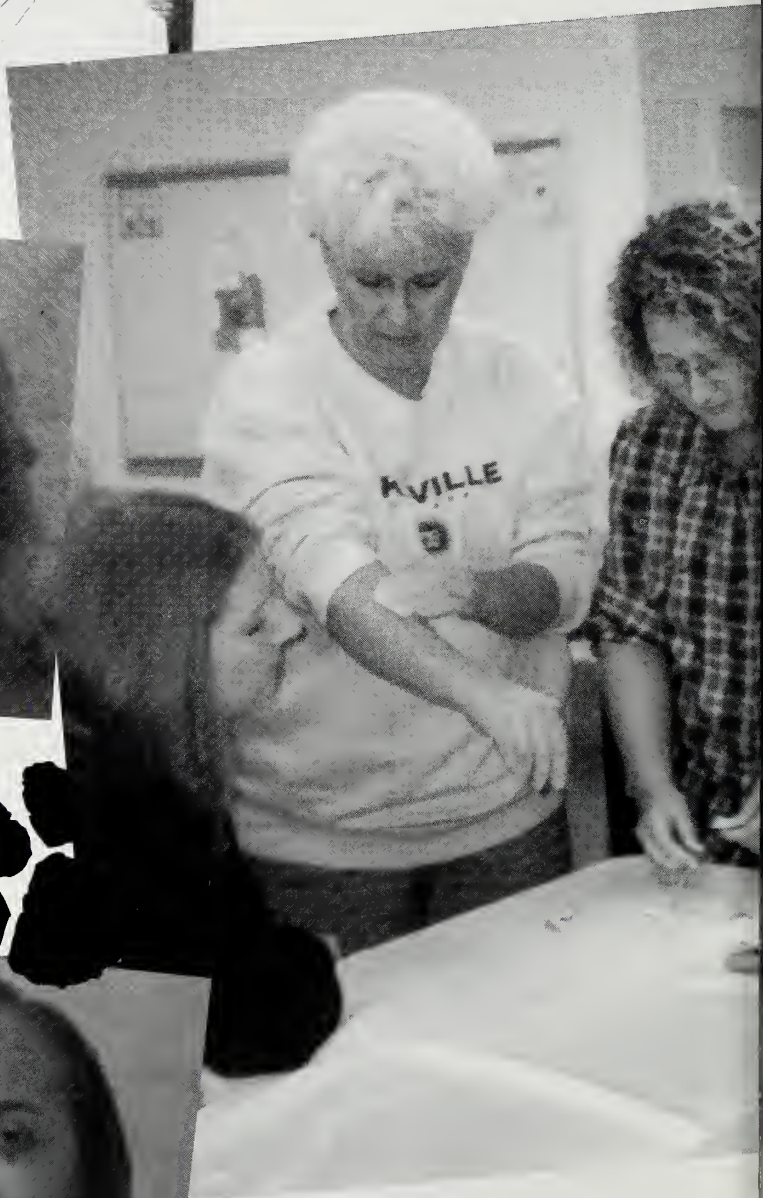

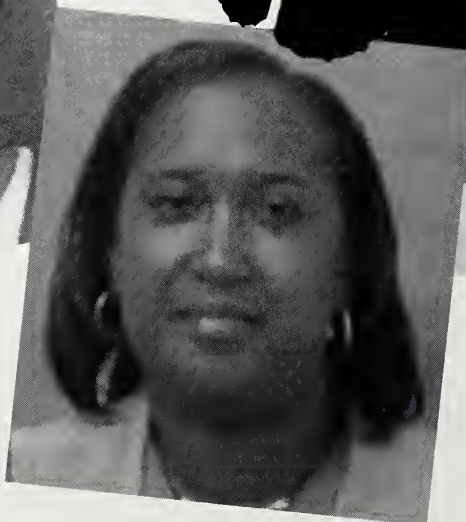

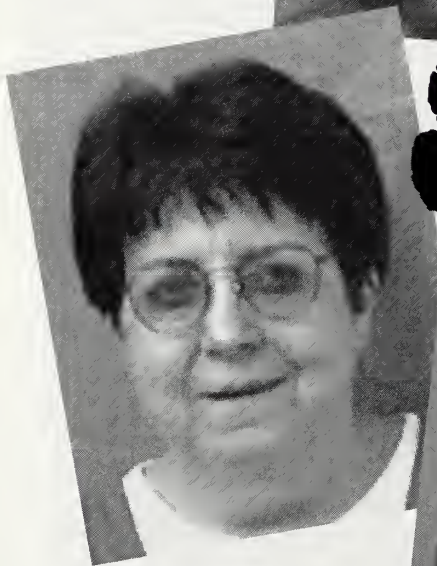

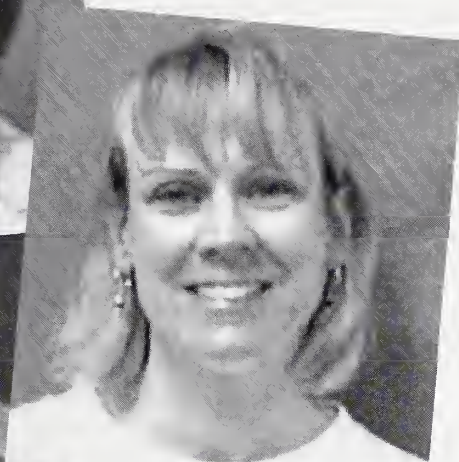

The Pikeville College Nursing Division gathered coats this past winter and gave to the Hope Foundation.

These future nurses reached out their caring hands to the less fortunate in hopes of providing them with a warmer winter.

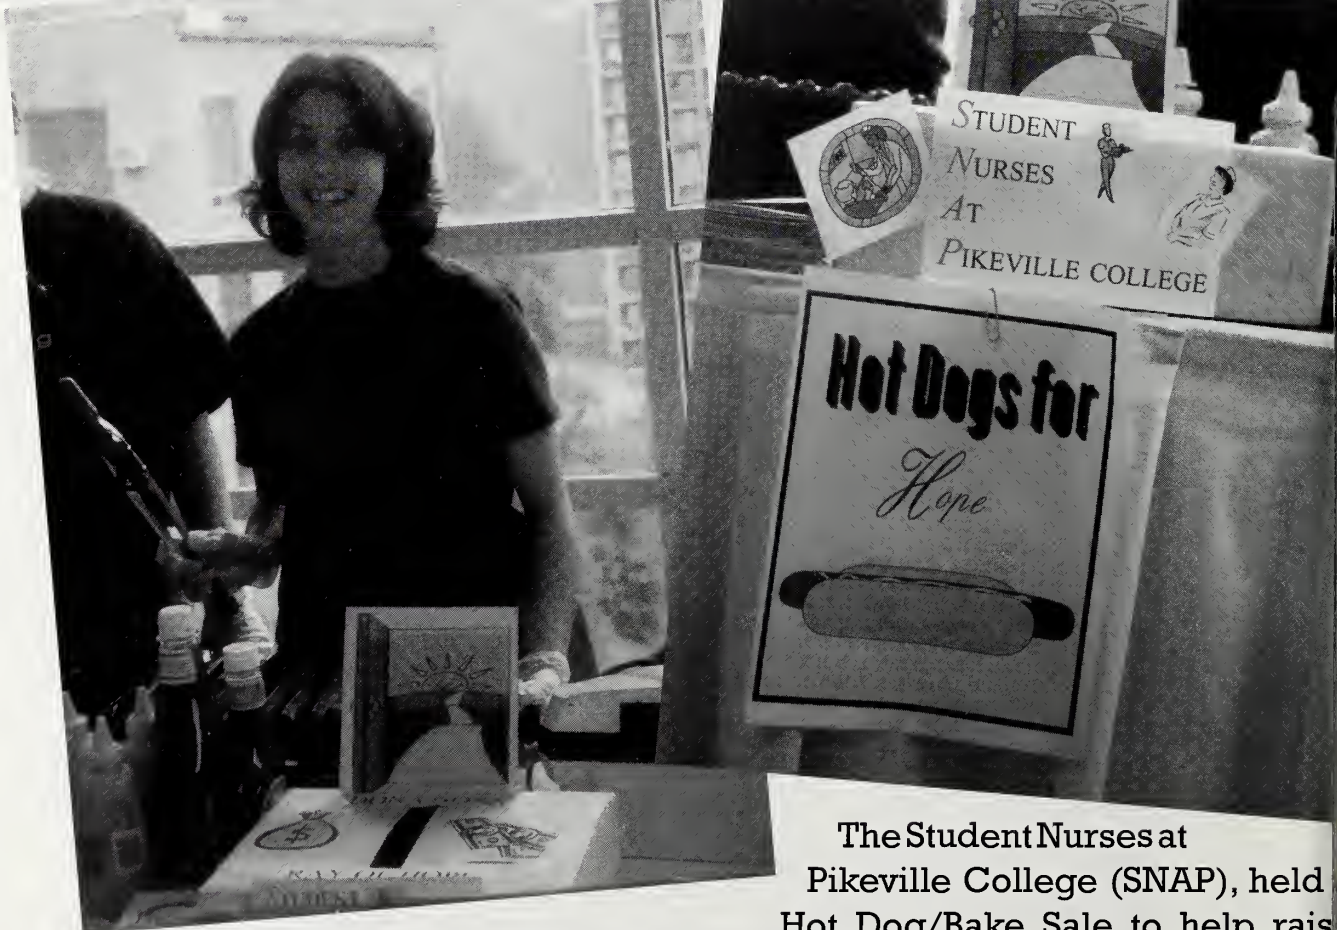

The Pikeville College Nursing Staff participated in the fun of the Founder's Day events by enjoying the pie throwing.

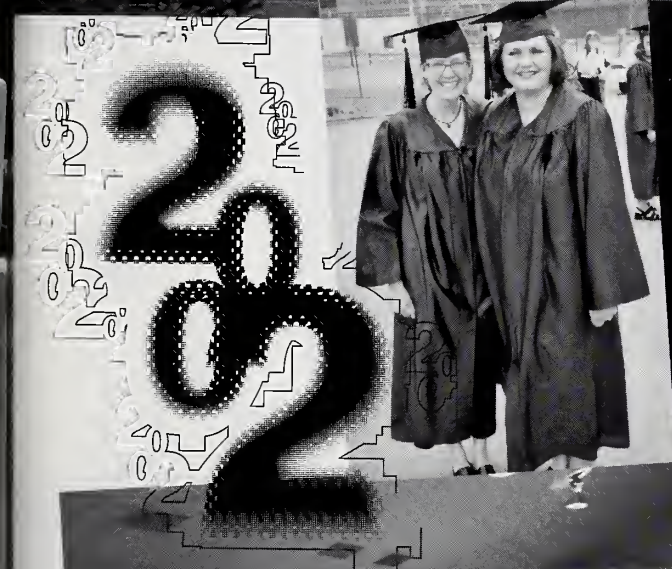

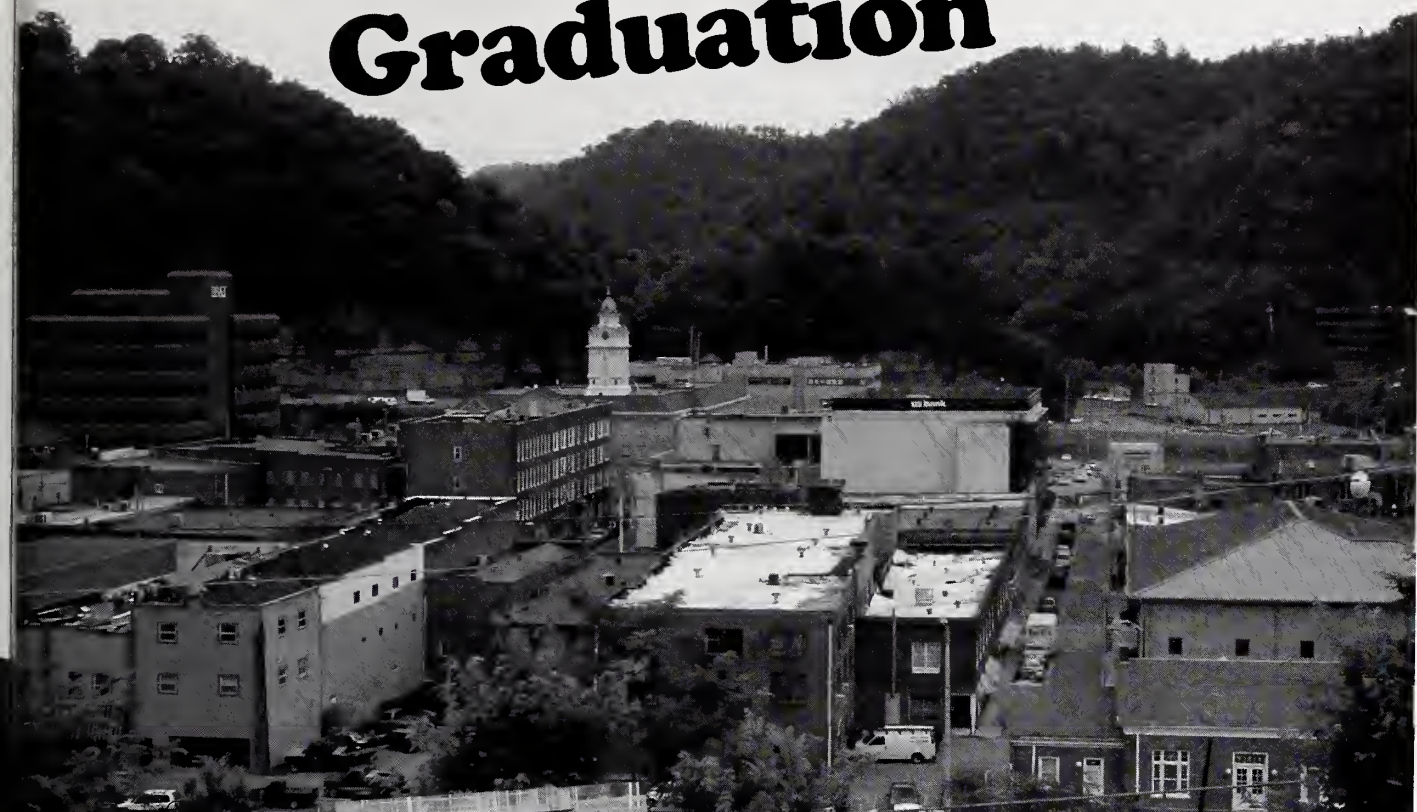

Many Nursing students participate in hands-on activities to help prepare them for job experiences.

The Student Nurses at Pikeville College (SNAP), held Hot Dog/Bake Sale to help raise money for the Hope Foundation.

Pikeville College Graduation

The Pikeville College mace was designed and created by master carver and retired Presbyterian minister, Jerry Cooper of Berea, Kentucky. The cherry wood staff, entwined by a snake-the symbol of medicine- ascends to a ring of walnut thistle leaves symbolic of the Scottish Presbyterian roots of Pikeville College. Parallel to the snake, are the College's historic 99 steps, our most recognizable symbol. The seal of Pikeville College and logo of PCSOM dominate the walnut sphere. The academic mace is a gift to the school from the class of 2001.

The 2002 graduation ceremony was an emotional one for all involved. This year's commencement speaker and honorary degree recipient was Virginia Gaines Fox, chief executive officer for Kentucky Educational Television. J. W. Kinzer, owner and operator of the J. W. Kinzer Drilling Company, was the other honorary degree recipient.

This year's ceremony recognized 16 associate degree graduates. Among those, Carie Justice Bartley received high honors. There were 94 baccalaureate degree graduates. H. Douglas New and Edna Marie Slater were Co-Valedictorians. Stephen Foster Hunt, Jr. was Salutatorian.

PCSOM Graduation

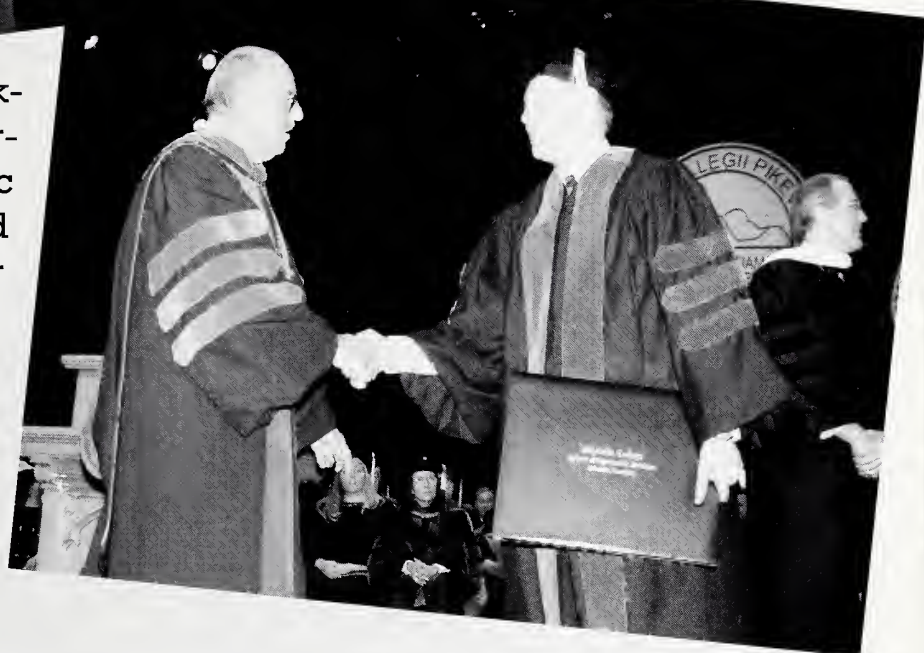

This year's ceremony was the second in Pikeville College's history. Held at the Mountain Arts Center in Prestonsburg, the ceremony honored 63 Osteopathic Medicine graduates.

Honorary degrees were presented to Drs. Laman Gray, Jr. and Robert Dowling, and to Robert Tools, posthumously, for their medical advancements. Tools had been diagnosed with severe heart failure and lived five months after receiving the first self-contained artificial heart.

This year's key note speakers were Dr. James Zini, current American Osteopathic Association president, and Dr. Eugene Oliveri, member of the Pikeville College Board of Trustees.

Pikeville College Yearbook Staff

Co-Editors, Heidi M. Couch & Racheal R. Charles

It's hard to believe that after twenty-two days of hard work we planned, started, and completed the 2001-2002 yearbook. Creating these pages instilled the spirit of Pikeville College in us and motivated us to finish. Looking back, we couldn't have done this without the help of several patient and understanding people. Thanks,
